TASK 9 - Getting to Know You

Answer the following questions so I can get to know you. I provided my answers to these same questions too.

1. Where does your family like to vacation? What is your dream vacation?

Teacher's answer: My husband and I enjoy traveling. This summer we went to the west coast to visit my father. We spent time on the Oregon coast. I would highly recommend it. I was able to wear a hoodie on the beach on the evening of the 4th. It was glorious. As far as a dream vacation, one word - Tahiti.

Your answer:

2. Are you a morning or night person? Why?

Teacher's answer: When I was your age, I was definitely a night person. Now that I am "older", I get in bed super early. Some nights I'm asleep before 9:00. I think I've become more of a morning person since I do my best planning before school.

Your answer:

3. What is your go-to movie?

Teacher's answer: I have many but I'll give you the first one that popped into my mind. Pitch Perfect. Not the second or third...just the first one. The year it came out, I had several students who talked me into watching it. I loved it. Still do.

Your answer:

4. What is your favorite sport to watch and/or play? What do you enjoy about it?

Teacher's answer: Hands down and no question. I love to watch football. My mom taught me the rules of the game when I was young so I have been watching football for a long time. I am a USC fan all day long.

Your answer:

5. Describe your relationship with your parents/guardians and siblings. What do you most admire about them?

Teacher's answer: This question makes me laugh. Growing up my brother and I used to fight over who the favorite child was to each of our parents. My parents divorced when I was really young but I was fortunate in that they always got along. To this day I believe that I am my dad's favorite and my brother was my mom's.

Your answer:

6. Think about some of your favorite teachers you've had over the years. What do you think makes a good teacher?

Teacher's answer: My favorite teachers were the ones who cared about me as a person and had a sense of humor. I enjoyed teachers who enjoyed their content.

Your answer:

TASK 10 - Turn this assignment in through Google Classroom
